

Leamington Finals - 2024

Our New Milton ladies won on 17th August (21 – 17). They play again tomorrow.

One match photo and one with their medals.

Chris Cooke, Alison Bremner and Sandy Elder performed well in their 1st Round match today v Leicestershire (18th August) but after taking an early lead lost the match in the last few ends.

Many Congratulations to all the team on representing Hampshire at this year's Nationals.

Well Done.

The ladies pair of Trish Towner & Janet Prince played at Leamington Spa at the National but

lost their match to a strong pair from Herefordshire this afternoon. Sound performance in earlier matches to get this far. Nice uniforms.....
